

2018

Diploma in Design and Specification of Plastics

Part 1: Plastics Materials and Technologies

A one day Introduction to Plastics Materials and Plastics Technologies.

Who should attend..... Employees of manufacturing and supply companies (raw materials, design, tooling, machinery) in the Plastics Industry. Employees of companies that make extensive use of plastics components in a range of end use applications. Participants will typically be both technical and non technical staff who may not have tertiary qualifications in polymer science and plastics engineering. Employees in functional areas such as Sales, Marketing, Technical Sales, Quality Assurance, Quality Control, Production Planning and Control, Customer Service, Purchasing, Design, Human Resources, General Administration, Warehousing. Project Manager, Technical Design Production, Engineering and Design and Product Managers. In addition Engineering Design Consultants, Tool Makers, and Technical Purchasing employees would also find this course very informative.

Topics covered What are plastics? Processes Safety issues Colourants and Additives Assembly and Finishing Environmental Value of using plastics Product flaw identification Enabling technology

Presenters Neil Edmonds: Director of Polymers and Coatings, The University of Auckland
Simon Wilkinson: Environmental Specialist

Date **Auckland:** **Semester 1:** Friday 23rd February, 2018 9.00am - 4.30pm
Semester 2: Friday 14th September, 2018 9.00am - 4.30pm

Venue **Auckland:** **Semester 1:** Waipuna Hotel, 58 Waipuna Road, Mt Wellington.
Semester 2: Waipuna Conference Suites, 60 Highbrook Drive, Highbrook.

Cost of registration \$573.85 (\$499 + \$74.85 gst) per person for Plastics New Zealand members
\$688.85 (\$599 + \$89.85 gst) per person for non Plastics New Zealand members

Assessment Assignment to be completed and submitted within 1 month of the course

Certificate..... Certificate of completion from Plastics New Zealand after the course assignment has been completed and submitted.

PART 1 - Plastics Materials and Technologies

This is a tax invoice once payment is received
GST Reg No. 42-299-200

I/We will be attending the course in: **Semester 1:** Friday 23rd February, 2018
 Semester 2: Friday 14th September, 2018
