| Entry Name     |  |

## **Best Supplier Partnership Category**

Entries can be received from suppliers of plastic materials, providers of machinery or ancillary equipment, project management, design or tooling expertise, who have provided an innovative solution and worked proactively and in partnership with a manufacturer/ brand owner on a product or process development project (The project does not have to be an Award entry). A testimonial from the manufacturer/brand owner also needs to be submitted with the entry.

## Please use the following as the template for your responses.

**Category: Best Supplier Partnership** 

Written information should include responses to each of the following criteria (if applicable) and in the same order as these criteria. Please attach diagrams, drawings, photos or other relevant information if appropriate.

Please Note: If nothing to say in a section then leaving it blank is still valid.

If more room is required for any section, please add at the end and clearly show the section it relates to.
