

Te Tahua Pūtea mō te Kirihou Auaha Plastics Innovation Fund

The \$50-million Plastics Innovation Fund will support projects that reimagine how we make, use and dispose of plastics.

Ko tā te Tahua Pūtea mō te Kirihou Auaha he tautoko ake i ngā kaupapa kei te whakanake haere i ngā hakaaro mō tā tātou hanga, mō tā tātou whakamahi me tā tātou tuku atu i te kirihou.

The Plastics Innovation Fund's **5** main outcomes

Te whakamauru
i te para kirihou
Minimise
plastic waste

Te tautoko ake
i ngā whakatau
āmiomio
Support
circular solutions

Te tiaki i te
taiao i ngā
pōreareatanga
Protect the
environment
from harm

Te tautoko i te
whakamaurutanga
o ngā kirihou ka
haria mai i tāwāhi
Support the
reduction of
imported plastic

Te whakapai haere
i ngā aronga o
te tangata me
ngā pakihi
(kei ngā taumata
tiketike o te rārangi
pakihi tuku rāpihi)
Improve the
behaviour of people
and businesses
(up the waste
hierarchy)

How the fund works

- The fund is a co-funding grants scheme which will unlock a significant amount of investment from business and industry.
- We offer different funding levels and can fund all legal entities.
- The fund will be open to receive expressions of interest (EOIs) for up to eight months of each funding year.
- EOIs will remain in the competitive pool until applicants are either invited to apply, declined due to ineligibility, or if they withdraw.

He whakaaro auaha āu hei whakamauru i te para kirihou?
Whakapā mai kia mōhio ai koe ka!

Have an innovative idea to minimise plastic waste?
Contact us to see how we can support you to bring it into life!
